MARIE FRANZ EVERT

Preface

Since it had been requested by some of the descendants of the late Peter Ewert, I shall endeavor to write a brief history of the past concerning our ancestry.

It is believed by some that the name Ewert is of French origin. But we can not verify this thought authentically for we have no such record available. However, through the annals of Mennonite Church History we have records that our Ewert ancestors resided in the Netherlands before migrating to West Prussia. Undoubtedly then the Peter Ewert Sr. who is used as the root or basis of this "Family Tree" was born in the Netherlands.

The children of this Peter Ewert Sr. were born in West Prussia to which Province a large influx of people moved after leaving the Netherlands.

WestPPrussia however, only proved to be a haven for the people of Mennonite Faith for a short period of time. The main reason for their repeated wanderings from place to place was prompted and manifested by their deep innermost desire ~~innermost desire~~ for exorcising religious freedom and worship. To serve and worship God according to the teachings of Jesus and the written inspired word of God was their uppermost desire.

From West Prussia the before named ancestor moved with his family to what was then called Poland Russia, where he and his wife passed away.

After the years passed by ~~and~~ the respective children grew up into man hood and womanhood. Homes of their own were established, but their sojourn in Poland Russia was of short duration, because again here as heretofore the religious freedom they so dearly cherished was being denied them. It might be inserted or rather mentioned here that exemption from military service based upon the Bible as found in the teachings of Jesus, was one of the deep convictions these peace loving mennonite people held very conscientiously.

1,786,219

May we as descendants of t ose who suffered and died for these convictions remain true to the "Faith of Our Fathers". This privilege being denied them they decided to move to America.

So we find that in the year 1874 the two brothers Julius and Heinrich and their families came to America. (The term America was used instead of United States.) They lived at Yankton, Dakota Territory for about four years after which they ventured out onto the pariries fifty miles north of Yankton. A yoke of oxen was used as a means of transportation. Peter Ewert Jr. and family and one sister Mrs. Agnetha Friesen came a few years later. Mrs Sarah Vogt and family remained in Russia. It is not known whether Peter Ewert Sr. had brothers or sisters, but it might be of interest to t ose involved in this family history that the maiden name of Peter Ewerts wife was Marie Wohlgemuth. There were seven daughters in that Wohlgemuth family. They were married to men whose surnames were as follows : Ewert, Franz, Schmidt, Bartel, Plenert, Williams and Lehrman. Needless to say that in this report much has been omitted that would undoubtedly be of interest to t ose of you who are eager to acquaint yourself with the experiences and adventures of our beloved forbearers.

In conclusion it is my earnest desire and wish that the efforts put forth by my son Milton in compiling a family tree may not only knit but bind us who are still living into a closer unity and fellowship one to another. In behalf of Milton I wish to thank all of you who have sent in the data of your respective families and also wish to thank Mrs. Marie Ewert to whom much credit is due for the material she make available for this work.
